ADAPT Presence Series

ADAPT Presence Grey UC
ADAPT Presence Grey Business

Your sound. Your design

ADAPT Presence Series are premium Bluetooth® headsets for mobile professionals requiring excellent sound and voice clarity around the office, in the car and outdoors.

Featuring best-in-class Voice™ technology due to 3 digital microphone system, ADAPT Presence ensures speech intelligibility in challenging environments. Building on our legacy of sound leadership, sound enhancement features include SpeakFocus™, WindSafe™ and own-voice detection technologies to optimize communication in noisy environments – both indoors and out. The headset also provides high-quality audio for multimedia.

ADAPT Presence has increased its choice of wearing styles to be even more comfortable with the addition of a padded ear hook. Features include a unique sliding microphone with integrated on/off power slide and up to 10 hours' narrowband and 8 hours' wideband call time between charges. Get instant battery status via voice prompts or tap into Siri and Google Assistant and be online at the touch of a button.

With a focus on quality materials and wearability, the refreshed ADAPT Presence headset has had a subtle color facelift to enhance the overall design experience. The familiar, slim iconic design and discreet aluminum microphone boom arm represent the ultimate in subdued style for business professionals.
