MAXHUB WT13M

4K Wireless BYOM Dongle

With its Bring Your Own Meeting (BYOM) features, the MAXHUB WT13M device is meant to provide more than just screen sharing. The MAXHUB IFP V6 Series and MAXHUB UC S15 support this feature, allowing users to broadcast their audio and video to other devices

With 5-second quick-start features, enjoy a seamless USB type-C screen sharing experience that doesn't require drivers or other software.
